آه يا زين

آه يا زين آه يا زين آه يا زين العابدين
ياورد يا ورد مفتح بين البساتين
ياورد يا ورد مفتح بين البساتين
ياما قال ياما قال ياما قالوا العوازيل
انا انا وحببي بالهوى مجانيين
انا انا وحببي بالهوى مجانيين
بالحب بالحب جماله ساحرني
ذوب ذوب لي روعي بعيونه الحلوين
ذوب ذوب لي روعي بعيونه الحلوين

Why You Pride

Why you pride, why you pride, why you pride of worshippers
You blossom, you blossom, that's been blooming, all through the gardens
You blossom, you blossom, that's been blooming, all through the gardens
Long was it said, long was it said, long was it said by the repudiators
That I, I and my beloved, have gone mad with desire
That I, I and my beloved, have gone mad with desire
With love, with love, his beauty has put me in a trance
He's turned my soul to mush, to mush, with his lovely eyes
He's turned my soul to mush, to mush, with his lovely eyes
